Dear Jasmine:

Thank you so much for this heads-up. We did send in our opposition to Senator Beall, the chair of the transportation committee overseeing this issue and to our Senator, Bob Hertzberg asking for his support as well.

Again, thank you for sharing - and as I continue to work for the Studio City BID, I am getting a better feeling of the impact we can have within our City. It is my pleasure to be associated with you all.

Regards,

Please find below a reminder regarding SB876.

Hello –

As you have probably heard by now, next Tuesday, March 29 at 1:30 p.m. the Senate Transportation & Housing Committee will take up SB 876 (Liu). This bill would create a new right for any homeless person to "sleep or rest" in any "public space." This bill's broad definition essentially declares the right to sleep or rest on any property that has a public easement. What's more, SB 876 creates a special set of exemptions, privileges and rights for the homeless to occupy public and private property, including sidewalks, without complying with laws that apply to everyone else. The public right-of-way is to be enjoyed by all, without being subject to intimidation, inability to pass, or lack of sanitary conditions.

Join CDA to oppose SB 876 Tuesday!

Consider joining CDA to oppose in person during the measure's hearing this Tuesday in the State Capitol. Tell lawmakers the impact this will have in your community!
